

Outdoor Education Week

8th-12th April

Next week is Outdoor Education Week in school. We have some very exciting things planned for all the pupils.

Monday

- 1) We are designing and building **scarecrows** for our garden areas. If you have anything useful at home such as old clothes, hats, wood, brush shafts or straw, the staff would appreciate if you could send them in with your child on Monday.
- 2) We plan to have a **picnic lunch** on Monday (weather permitting). Packed lunches and dinners (chicken nuggets, chips and ice lollies) will be served outside. We would therefore be grateful if you could send in a picnic blanket with your child.
- 3) **Davison's (Simply Puddings)** are coming to speak to all the pupils about apple growing and processing. Their company produces ready to eat desserts for retail and food service sectors.

Tuesday

- 1) P1-3 are meeting at Peatlands and are going on a morning walk.
- 2) Eco club are going to be busy weeding, planting and doing a general tidy up around school to prepare school again for the Best Kept School judges visiting. If anyone has plants or anything you think would enhance our outdoor space please contact school or send it in with your child.

Wednesday

- 1) You may see some different vehicles parked in the staff parking area. We are having a range of **tractors** coming to school for the pupils to view.
- 2) The Robinson family are bringing in some **animals** into school for the children to view. (sheep and goats). If your child has an allergy to any of these animals, please inform their teacher.
- 3) **House Prize** for P4-7 pupils. '**Wee Critters**', a fully mobile and professional interactive animal education service is visiting school and the pupils will have the opportunity to get hands on with a range of animals.
